

transcripts of meetings of government vaccine committees and the supposedly independent medical “experts” sitting on them with their drug industry connections. See: *30 Years of Secret Transcripts Show Cover-up of Vaccine Hazards*

Dr David Lewis, former EPA/CDC scientist, described the fall of so-called government agencies to abject cronyism and corruption, knowingly putting the lives of millions of Americans in jeopardy. See: *CDC Retired Scientist and whistle-blower exposes CDC Corruption and Bogus Reports!*

Dr Hooker, a PhD researcher, reveals his relationship to the whistleblower, a top researcher employed by the CDC who came forward, confessing to his participation in actively covering up data that clearly links vaccines to autism. See: *Brian Hooker: CDC cover-up of vaccine and autism link*

WHO IS KEEPING THE TRUTH FROM PHYSICIANS, PUBLIC HEALTH WORKERS AND THE GENERAL POPULATION?

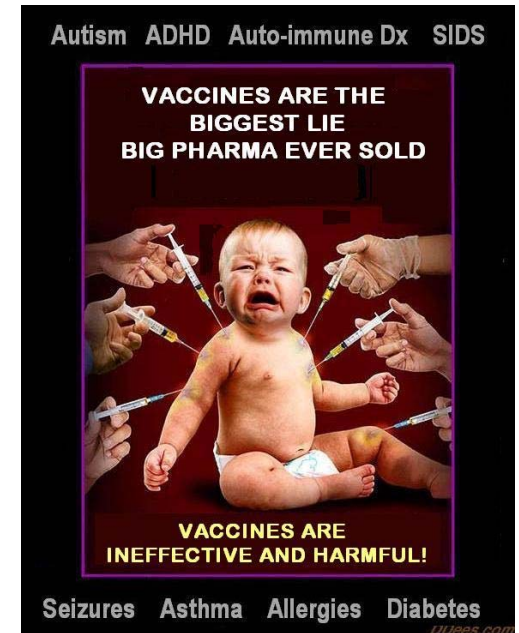

The Center for Disease Control, responsible for the promotion of vaccination recommendations, is literally a wolf in sheep's clothing. Some important facts uncovered about the CDC include:

- CDC partners with big pharma
- CDC is rife with corruption
- CDC orchestrates propaganda campaigns based on nonexistent threats
- CDC hires researchers to create fraudulent studies
- CDC ignores congressional hearings and recommendations
- CDC actively discredits and destroys reputable researchers
- CDC hires private think-tank corporations to produce bogus "consensus science" reports

NO ONE SHOULD BE REQUIRED TO TAKE ANY DRUG THAT IS NOT WARRANTED AS BOTH SAFE AND EFFECTIVE BY ITS MANUFACTURER - SUCH AS VACCINES - EVER!

MAINSTREAM MEDICINE IS NOT TELLING THE TRUTH ABOUT VACCINES!

**BIG PHARMA CONTROLS
THE INFORMATION
WE'RE GIVEN ABOUT
VACCINES!**

Big Pharma is one of the largest and most profitable industries in the world. Their ability to 'buy' influence over medical schools, government, policy makers and the media is essentially unlimited!

LITTLE KNOWN FACTS ABOUT THE VACCINATION PROGRAM IN AMERICA:

- **Vaccine science is ‘unsettled’**

There are scientific peer-reviewed papers that have exposed the dangers of many vaccines as well as the “herd immunity myth”. See: The International Medical Council on Vaccination.

- **All participating in vaccination programs are exempted from liability**

See: 2011 Supreme Court decision *Bruesewitz versus Wyeth*.

- **Patients and parents are never given full disclosure**

Vaccine package inserts are intentionally substituted with a printed sales pitch created by the CDC and the American Academy of Pediatrics.

- **The #1 promoter of vaccines is the Center for Disease Control (CDC) - a private for-profit corporation ‘doing business’**

The CDC is not a government health advocacy organization. It is a corporation listed on Dun and Bradstreet with strong ties to the pharmaceutical industry.

- **State public health institutions are also private for-profit corporations ‘doing business’**

Look them up, they are all listed on Dun and Bradstreet.

- **American Academy of Pediatrics is a private for-profit corporation ‘doing business’**

Monetary compensation from the vaccine manufacturers contributes to the ‘fiscal’ health of their corporation.

- **Physicians get more money - per visit - for each ‘fully vaccinated’ child**

- **Profits, not science, motivate state vaccine mandates for school attendance.**

STATE LEGISLATORS have no medical training and are easily influenced by drug company lobbyists and/or the CDC, INC.

BIG PHARMA LIES HAVE BEEN EXPOSED BY EXPERTS, such as:

Internist Suzanne Humphries, MD explains how she was deceived during her medical education and how she discovered the truth about vaccines in this excellent video: *The Brilliance of Dr. Suzanne Humphries on the Dangers of Vaccines*

World renown researcher, Dr. John Ioannidis has spent his career challenging his peers by exposing their bad science. Much of the information doctors draw upon daily is to a striking extent misinformation based on manipulated research results that were bought and paid for. See: *Lies, Damn Lies and Medical Science*.

Dr. Bernard Dalberque, a top physician who used to work for drug giant Merck & Co., creator of the Gardasil vaccine for cervical cancer, has made some groundbreaking public admissions about the dangers and ineffectiveness of this controversial jab. See: *Former Merck doctor predicts Gardasil will become ‘greatest medical scandal of all time’*

The researchers of a monumentally important **2013 Harvard study** warn that meeting the needs of the drug companies has taken priority over meeting the needs of the patients; adding that unless this corruption of regulatory intent is reversed, the situation will continue to deteriorate. See: *Harvard Scientists warn about Epidemic of Side Effects due to Corruption*

An extraordinary paper by a courageous doctor and investigative medical researcher was presented to the **British Society for Ecological Medicine** in March 2011. It exposed the dirt on 30 years of secret official
